**Gifted** is not a conventional garden centre, since as part of the Stable Family Home Trust it exists to offer people with learning disabilities the opportunity to cultivate plants and shrubs, to learn to serve in a shop, arrange displays, stock control, and participate in craft workshops.

New ranges available include:

- Great Value Shrubs
- Strong, healthy home grown bedding plants
- Wide variety of home grown vegetable plants
- Bird feed & garden sundries
- Offers on compost
- Indoor plants
- Bespoke garden sculptures and hand crafted gifts
- Hanging baskets, baskets & pots planted to order
- Friendly, helpful staff
