Telephone: 01425 272203

248 Lymington Road, Highcliffe, Christchurch, BH23 5ET

## Patient Open Day

**Saturday 13<sup>th</sup> May, 10 am - 3 pm**

**Highcliffe Medical Centre invites you to learn more about your local GP surgery, how our systems work and the services we offer. Come to meet experts committed to improving health and wellbeing locally and to explore opportunities for patient engagement and volunteering.**

**In collaboration with organisations and charities from Highcliffe and the surrounding area, this interactive day will include a variety of stalls along with an Alzheimer's Society Dementia Friends session (10.30 am), nutritional workshops including a focus on diabetes and a "Bandage the Bear" station.**

**We have great prizes in our raffle to raise funds for medical equipment and are grateful to our generous donors listed below. With something for everyone, join us for this unique opportunity to see behind the scenes of the GP surgery and meet representatives of local organisations.**

*"Poppy Prelude" by Lovedy James*
