Dear Resident,

Due to ongoing reports of anti-social behaviour in this area we would like to invite you to a Street Corner meeting on the recreation field at Friars Cliff on Friday 27th July at 7pm.

Attending this meeting along with your local Police will be local Councillors, a representative from Dorset and Wiltshire Fire service and staff from Christchurch Council.

Should you have any concerns about this issue then please attend the meeting and speak to one of the attendees.

Yours Sincereley,

East Christchurch Neighbourhood Policing Team
