	<b>Live free roadworks information website – <a href="http://www.one.network">www.one.network</a></b>
	The information in this report was correct at the time of publication, for live, searchable information. Please visit the website <a href="http://www.one.network">www.one.network</a> and enter Bournemouth into the search field (top right). This is a free website that displays information on current and planned roadworks across the BCP conurbation.
	<b>Highway Structural Maintenance Programme 2024/25 – Micro Asphalt</b>
	BCP Council is undertaking an extensive carriageway maintenance program throughout the conurbation. The works are weather-dependent and involve closing the road in question. <a href="https://www.bcpCouncil.gov.uk/Roads-and-transport/Maintaining-our-roads/Highway-maintenance.aspx">https://www.bcpCouncil.gov.uk/Roads-and-transport/Maintaining-our-roads/Highway-maintenance.aspx</a>
	<b>SSEN Boscombe-Christchurch Network Investment</b>
	Scottish & Southern Electricity Network are investing £12 million into a 33kV network upgrade in late Summer 2026. This will boost their power supplies by future-proofing the underground cables that carry electricity for homes and businesses in the Bournemouth and Christchurch areas. For more information, please visit the SSEN website at the link below. <a href="#">Boscombe-Christchurch Network Investment - SSEN</a>

It is not anticipated that any of the above works will likely cause significant traffic delays, except where specifically stated.

Dates are accurate at the time of publication; however, works are subject to weather and other dependencies and may change in accordance with operational requirements.
