	Live free roadworks information website – www.one.network
	The information in this report was correct at the time of publication, for live searchable information. Please visit the website www.one.network and enter Bournemouth into the search field (top right). This is a free website showing information on current and planned road works across the BCP conurbation.

	Highway Structural Maintenance Programme 2023/24 – Micro Asphalt
	BCP Council is undertaking an extensive program of carriageway maintenance works throughout the conurbation. The works are weather-dependent and involve closing the road in question. https://www.bcpCouncil.gov.uk/Roads-and-transport/Maintaining-our-roads/Highway-maintenance.aspx
	SSEN Boscombe-Christchurch Network Investment
	Scottish & Southern Electricity Network are investing £12 million into an 33kV network upgrade in late Summer 2024. This will boost their power supplies by future-proofing the underground cables that carry electricity for homes and businesses in the Bournemouth and Christchurch areas. For further information visit the SSEN website link below Boscombe-Christchurch Network Investment - SSEN

It is not anticipated that any of the above works are likely to cause major traffic delays except where specifically stated.

Dates are correct at the time of publication; however, works can be subject to the weather and other dependencies and are subject to change in line with operational requirements.
